

**K-Knight** Shown below with front POS Accessory Panel and various components, even the Boca Lemar K and Lemar 2K Thermal printers for ticket and wristband printing. Installed at amusement parks located from Texas to New Jersey.

All outdoor units must include the Solid State Heat/Cool device to withstand the outdoor environment. This unit contains a detachable hood/visor and detachable front accessory panel for a variety of component assemblies. Front access is through a secure hinged door that opens downward allowing ample space to everything. Built for low maintenance, heavy abuse. Nema4x (IP65) All sensors are optically bonded with our revolutionary "K-BOND" solution. Eliminates air gap, eliminates moisture build, eliminates heat build up, increases visibility, increases strength, increases heat transfer. If it aint "K-Bonded", it aint ready for the outdoors! **NOTE: Do not face directly east or west.**

### K-KNIGHT Outdoor Kiosk With P.O.S
