

The K-Menu is a sleek outdoor touch operating kiosk. Display is mounted in the Horizontal position. This unit has all the bells and whistles, Anti-glare/SRF Vandal Proof Glass, IR touch screen, self-contained heat/cool system, 2-point compression locking system, amplified weatherproof sound system, so much more.

All panels are optically bonded with our revolutionary "K-BOND" solution. Eliminates air gap, eliminates moisture build, eliminates heat build up, increases visibility, increases strength, increases heat transfer. If it ain't "K-Bonded", it ain't ready for the outdoors!

NOTE: DO NOT Face screen directly into sun with extended exposure.  
DO NOT face front of machine directly east, west, or south in some geographical areas.
